AMENDED SETTLEMENT AGREEMENT
PURSUANT TO FED. R. CIV. P. 41(a)(2)

INTRODUCTION

The United States and the City of Portland (“City”) (collectively “the Parties”) recognize that the vast majority of the City’s police officers are honorable law enforcement professionals who risk their physical safety and well-being for the public good. The Parties enter into this Agreement with the goal of ensuring that the Portland Police Bureau (“PPB”) delivers police services to the people of Portland in a manner that effectively supports officer and public safety, and complies with the Constitution and laws of the United States. Specifically, this Agreement is targeted to strengthen initiatives already begun by PPB to ensure that encounters between police and persons with perceived or actual mental illness, or experiencing a mental health crisis, do not result in unnecessary or excessive force.

The Parties recognize there has been an accelerating movement toward a model of police management that relies on both existing and still-developing management and monitoring tools and systems. This model requires both vision and fiscal commitment, and is necessary to legitimate policing. The United States recognizes that PPB has endeavored to adopt components of modern management despite being a lean organization, and greatly appreciates the City’s commitment, in this agreement, to provide PPB the fiscal support necessary to rapidly and fully implement a

complete state-of-the-art management and accountability system. The Parties further recognize that the ability of police officers to protect themselves and the community they serve is largely dependent on the quality of the relationship they have with that community.

Public and officer safety, constitutional policing, and the community's trust in its police force are, thus, interdependent. The full and sustained implementation of this Agreement is intended to protect the constitutional rights of all members of the community, continuously improve the safety and security of the people of Portland, keep PPB employees safe, and increase public confidence in PPB, all in a cost-effective, timely, and collaborative manner. The United States commends the City for the steps it already has taken to implement measures to effectuate these goals.

To fully achieve these goals, this Agreement requires the City and PPB to further revise or, where needed, adopt new policies, training, supervision, and practices in the following areas: the use of force, training, community-based mental health services, crisis intervention, employee information system, officer accountability, and community engagement.

This Agreement further requires that the City and PPB put in place more effective systems of oversight and self-correction that will identify and correct problems before they develop into patterns or practices of unconstitutional conduct and/or erode community trust.

This Agreement further identifies measures, to be met within fixed periods of time, that will assist the Parties and the community in determining whether: (1) the City has changed its procedures and taken the actions listed in this agreement; (2) community trust in PPB has increased; and (3) the improvements will be sustainable.

For these reasons, and noting the general principle that settlements are to be encouraged, particularly settlements between government entities, the Parties agree to implement this Agreement under the following terms and conditions.

I. GENERAL PROVISIONS

1. The United States has filed a complaint in the Federal District Court for the District of Oregon in Portland, Oregon asserting that the City has engaged in a pattern and practice of constitutional violations pursuant to the authority granted to United States Department of Justice (“DOJ”) under 42 U.S.C. § 14141 to seek declaratory or equitable relief to remedy a pattern or practice of conduct by law enforcement officers that deprives individuals of rights, privileges, or immunities secured by the Constitution or federal law. The City expressly denies that the allegations of the complaint are true.

2. The Parties agree that nothing in this Agreement shall be construed as an admission of wrongdoing by the City or evidence of liability under any federal, state, or municipal law. Upon execution of this Agreement by both Parties, the United States agrees to conditionally dismiss the complaint it filed with prejudice, subject to the Court retaining jurisdiction to enforce the Agreement, followed by final dismissal with prejudice upon performance of this Agreement.

3. This Agreement shall constitute the entire integrated agreement of the Parties. No prior drafts or prior or contemporaneous communications, oral or written, shall be relevant or admissible for purposes of determining the meaning of any provisions herein in any litigation or any other proceeding. If, in the course of interpreting this Agreement, there is an ambiguity that cannot be resolved by the Parties or in mediation, evidence including the Parties’ course of dealing and parol evidence may be used.

4. This Agreement is binding upon all Parties hereto, by and through their officials, agents, employees, and successors. If the City establishes or reorganizes a government agency or entity whose function includes overseeing, regulating, accrediting, investigating, or otherwise reviewing the operations of PPB or any aspect thereof, the City agrees to ensure these functions and entities are consistent with the terms of this Agreement and shall incorporate the terms of this

Agreement into the oversight, regulatory, accreditation, investigation, or review functions of the government agency or entity as necessary to ensure consistency.

5. This Agreement is enforceable only by the Parties. No person or entity is, or is intended to be, a third-party beneficiary of the provisions of this Agreement for purposes of any civil, criminal, or administrative action, and accordingly, no person or entity may assert any claim or right as a beneficiary or protected class under this Agreement. The Parties agree to defend the terms of this Agreement should they be challenged in this or any other forum.

6. This Agreement is not intended to impair or expand the right of any person or organization seeking relief against the City, PPB, or any officer or employee thereof, for their conduct or the conduct of PPB officers; accordingly, it does not alter legal standards governing any such claims by third parties, including those arising from city, state, or federal law. This Agreement does not expand, nor will it be construed to expand access to any City, PPB, or DOJ document, except as expressly provided by this Agreement, by persons or entities other than DOJ, the City, and PPB. All federal and state laws governing the confidentiality or public access to such documents are unaffected by the terms of this Agreement.

7. The City shall be responsible for providing necessary support and resources to enable PPB to fulfill its obligations under this Agreement. The improvements outlined in this Agreement will require the dedication of additional funds and personnel.

8. The purpose of this Agreement is to ensure that the City and PPB, by and through their officials, agents, employees, and successors, undertake the actions required by the Agreement, which in turn will resolve the concerns expressed by the United States in its complaint. The United States greatly appreciates the effort and expertise the current PPB leadership team has contributed to the investigation, agreement, and ongoing reform processes. The United States feels that continuity of management and effort is essential for timely compliance with the terms of this Agreement.

61. "Supported by evidence" means the standard of proof applied in CRC appeals pursuant to Portland City Code Section 3.21.160. A finding regarding a complaint is "supported by the evidence" when a reasonable person could make the finding regarding a complaint in light of the evidence, whether or not the reviewing body agrees with the finding. The CRC decides whether the recommended finding is supported by the evidence using a reasonable person standard, that is, the CRC decides whether City decision makers could have reached the conclusion they reached based on the evidence developed by the investigation.

62. "Training" means any adult-learning methods that incorporate role- playing scenarios and interactive exercises that instruct officers about how to exercise their discretion at an administrative level, as well as traditional lecture formats. Training also includes testing and/or writings that indicate that the officer comprehends the material taught.

63. "Use of Force" means any physical coercion used to effect, influence, or persuade an individual to comply with an order from an officer, above unresisted handcuffing, including actively pointing a firearm at a person.

64. "Use of force that could result in criminal charges" means that use of force that a reasonable and trained supervisor could conclude would result in criminal charges due to the

apparent circumstances, such as: (a) the level of force used as compared to the offense committed or resistance encountered; (b) material discrepancies between the force actually used and the use of force as described by the officer; or (c) the nature of the injuries.

65. “Welfare Check” means a response by PPB to a call for service that is unrelated to an allegation of criminal conduct, but is instead to determine whether a person requires assistance for a medical or mental health crisis.

III. USE OF FORCE

PPB shall revise its existing use of force policy and force reporting requirements to ensure that all force, particularly force involving persons with actual or perceived mental illness: (a) is used only in accordance with the Constitution and laws of the United States; (b) is no greater than necessary to accomplish a lawful objective; (c) is properly documented, reported, and accounted for; and (d) is properly investigated, reviewed, evaluated, and, if necessary, remedied. PPB shall attempt to avoid or minimize the use of force against individuals in perceived behavioral or mental health crisis, or those with mental illness and direct such individuals to the appropriate services where possible. In addition, PPB shall ensure that officers use non-force and verbal techniques to effect compliance with police orders whenever feasible, especially in the course of conducting welfare checks or effecting arrests for minor offenses or for persons whom officers have reason to believe are experiencing a mental health crisis; de-escalate the use of force at the earliest possible moment; only resort to those use of force weapons, including less-lethal weapons, as necessary; and refrain from the use of force against individuals who are already under control by officers, or who may express verbal discontent with officers but do not otherwise pose a threat to officers or others, or impede a valid law enforcement function. To achieve these outcomes, PPB shall implement the requirements set out below.

A. Use of Force Policy

66. PPB shall maintain the following principles in its existing use of force policies:

- a. PPB shall use only the force reasonably necessary under the totality of circumstances to lawfully perform its duties and to resolve confrontations effectively and safely; and
- b. PPB expects officers to develop and display, over the course of their practice of law enforcement, the skills and abilities that allow them to regularly resolve confrontations without resorting to force or the least amount of appropriate force.

67. PPB shall add to its use of force policy and procedures the following use of force principles:

- a. Officers shall use disengagement and de-escalation techniques, when possible, and/or call in specialized units when practical, in order to reduce the need for force and increase officer and civilian safety;
- b. In determining whether to use force, officers will take into account all information, when feasible, including behavior, reports, and known history as conveyed to or learned by the officer by any means, indicating that a person has, or is perceived to have, mental illness;
- c. The use of force shall be de-escalated as resistance decreases and the amount of force used, including the number of officers who use force, shall de-escalate to a level reasonably calculated to maintain control with the least amount of appropriate force; and
- d. Objectively unreasonable uses of force shall result in corrective action and/or discipline, up to and including termination.

1. Electronic Control Weapons

68. PPB shall revise PPB Directive 1051.00 regarding Taser, Less- Lethal Weapon

System to include the following principles:

- a. Prohibition against the use of ECWs for pain compliance against those suffering from mental illness or emotional crisis except in exigent circumstances, and then only to avoid the use of a higher level of force;
- b. Unless it would present a danger to the officer or others, that officers shall issue a verbal warning, or attempt to utilize hand signals where there is a language barrier or the subject is hearing impaired, prior to deploying their ECW;
- c. Officers shall follow protocols developed by PPB in conjunction with medical professionals on their responsibilities following ECW use;
- d. Only one ECW at a time may be used on a subject, intentionally, except where lethal force would be permitted;
- e. After one standard ECW cycle (5 seconds), the officer shall reevaluate the situation to determine if subsequent cycles are necessary, including waiting for a reasonable amount of time to allow the subject to comply with the warning. Officers shall describe and explain the reasonableness of each ECW cycle in their use of force reports;
- f. Officers shall make every reasonable effort to attempt handcuffing during and between each ECW cycle. Officers should avoid deployments of more than three ECW cycles unless exigent circumstances warrant use;
- g. ECWs shall not be used on handcuffed or otherwise restrained persons, unless doing so is necessary to prevent them from causing serious physical

injury to themselves or others, or if lesser attempts of control have been ineffective and/or to avoid greater application of use of force; and

- h. Officers receive annual ECW in service training including proficiency and policy changes, if any.

2. Use of Force Reporting Policy and Use of Force Report

69. PPB shall revise its policies related to use of force reporting, as necessary, to require that:

- a. All PPB officers that use force, including supervisory officers, draft timely use of force reports that include sufficient information to facilitate a thorough review of the incident in question by supervisory officers; and
- b. All officers involved or witnesses to a use of force provide a full and candid account to supervisors.
- c. In case of an officer involved shooting resulting in death, use of lethal force, or an in-custody death, PPB will fulfill its reporting and review requirements as specified in directive 1010.10, as revised. This will take place of Directive 940.00 reports for purposes of paragraphs 70, and 72-77 of this Agreement.

3. Use of Force Supervisory Investigations and Reports

70. PPB shall continue enforcement of Directive 940.00, which requires supervisors who receive notification of a force event to respond to the scene, conduct an administrative review and investigation of the use of force, document their findings in an After Action Report and forward their report through the chain of command. PPB shall revise Directive 940.00 to further require that supervisory officers:

- a. Complete After Action Reports within 72 hours of the force event;
- b. Immediately notify his or her shift supervisor and PSD regarding all officer's

Serious Use of Force, any Use of Force against persons who have actual or perceived mental illness, or any suspected misconduct. Where the supervisor suspects possible criminal conduct, the supervisor shall notify the PPB Detective Division. Where there is no misconduct, supervisors also shall determine whether additional training or counseling is warranted. PPB shall then provide such counseling or training consistent with this Agreement;

- c. Where necessary, ensure that the subject receives medical attention from an appropriate medical provider; and
- d. Interview officers individually and not in groups.

71. PPB shall maintain adequate patrol supervision staffing, which at a minimum, means that PPB and the City shall maintain its current sergeant staffing level, including the September 2012 addition of 15 sergeants.

72. PPB shall develop a supervisor investigation checklist to ensure that supervisors carry out these force investigation responsibilities. PPB shall review and revise the adequacy of this checklist regularly, at least annually.

73. PPB shall revise its policies concerning chain of command reviews of After Action Reports, as necessary, to require that:

- a. EIS tracks all Directive 940.00 material findings and corrections;
- b. All supervisors in the chain of command are subject to and receive corrective action or discipline for the accuracy and completeness of After Action Reports completed by supervisors under their command;
- c. All supervisors in the chain of command are accountable for inadequate reports and analysis;
- d. A supervisor receives the appropriate corrective action, including training,

demotion, and/or removal from a supervisory position when he or she repeatedly conducts deficient investigations. Where a shift commander, or precinct commander, repeatedly permits deficient investigations, the shift commander, or precinct commander, receives the appropriate corrective action, including training, demotion, and/or removal from a supervisory position;

- e. When, after investigation, a use of force is found to be out of policy, PPB shall take appropriate corrective action consistent with the Accountability provisions of this Agreement;
- f. Where the use of force indicates policy, training, tactical, or equipment concerns, the immediate supervisor shall notify the Inspector and the Chief, who shall ensure that PPB timely conducts necessary training and that PPB timely resolves policy, tactical, or equipment concerns; and
- g. The Chief or designee, as well as PSD, has discretion to re-assign a use of force investigation to the Detective Division or any PPB supervisor.

B. Compliance Audits Related to Use of Force

74. In consultation with the COCL, the Inspector, as part of PPB's quarterly review of force, will audit force reports and Directive 940.00 Investigation Reports to ensure that:

- a. With respect to use of force generally:
 - i. reports describe the mental health information available to officers and the role of that information in their decision making;
 - ii. officers do not use force against people who engage in passive resistance that does not impede a lawful objective;
 - iii. when resistance decreases, officers de-escalate to a level reasonably

- calculated to maintain control with the least amount of appropriate force;
 - iv. officers call in specialty units in accordance with procedure;
 - v. officers routinely procure medical care at the earliest available opportunity when a subject is injured during a force event; and
 - vi. officers consistently choose options reasonably calculated to establish or maintain control with the least amount of appropriate force.
- b. With respect to ECW usages:
- i. ECW deployment data and Directive 940.00 reports are consistent, as determined by random and directed audits. Discrepancies within the audit should be appropriately investigated and addressed;
 - ii. officers evaluate the reasonableness and need for each ECW cycle and justify each cycle; when this standard is not met, this agreement requires supervisor correction;
 - iii. officers are universally diligent in attempting to use hands-on control when practical during ECW cycles rather than waiting for compliance; and
 - iv. officers do not attempt to use ECW to achieve pain compliance against subjects who are unable to respond rationally unless doing so is reasonably calculated to prevent the use of a higher level of force.
- c. With respect to use of force reporting, the reports:
- i. are completed as soon as possible after the force incident occurs, but no later than the timeframes required in policy;
 - ii. include a detailed description of the unique characteristics of the event, using common everyday language, sufficient to allow supervisors to accurately evaluate the quality of the officer's decision making and

performance;

- iii. include a decision point description of the force decision making;
- iv. include a detailed description of the force used, to include descriptive information regarding the use of any weapon;
- v. include a description of any apparent injury to the suspect, any complaint of injury, or the absence of injury (including information regarding any medical aid or on-scene medical evaluation provided);
- vi. include the reason for the initial police presence;
- vii. include a description of the level of resistance encountered by each officer that led to each separate use of force and, if applicable, injury;
- viii. include a description of why de-escalation techniques were not used or whether they were effective;
- ix. include whether the individual was known by the officer to be mentally ill or in mental health crisis;
- x. include a general description of force an officer observes another officer apply; and
- xi. demonstrate that officers consistently make diligent efforts to document witness observations and explain when circumstances prevent them from identifying witnesses or obtaining contact information. Reports will include all available identifying information for anyone who refuses to provide a statement.

75. In consultation with the COCL, the Inspector shall audit force reports and Directive 940.00 investigations to determine whether supervisors consistently:

- a. Complete a Supervisor's After Action Report within 72 hours of notification;

Page 19

Amended Settlement Agreement Pursuant to Fed. R. Civ. P. 41(a)(2)
United States v. City of Portland, Case No. 3:12-cv-02265-SI

- b. Review all use of force reports to ensure they include the information required by this Agreement and PPB policy;
- c. Evaluate the weight of the evidence;
- d. Use a “decision-point” approach to analyze each use of force;
- e. Determine whether the officer’s actions appear consistent with PPB policy, this Agreement, and best practices;
- f. Determine whether there was legal justification for the original stop and/or detention;
- g. Assess the incident for tactical and training implications, including whether the use of force may have been avoided through the use of de-escalation techniques or lesser force options;
- h. Determine whether additional training or counseling is warranted;
- i. Implement corrective action whenever there are material omissions or inaccuracies in the officers’ use of force report, and for failing to report a use of force, whether applied or observed;
- j. Document any non-disciplinary corrective action to remedy training deficiencies, policy deficiencies, or poor tactical decisions in EIS;
- k. Notify PSD and the shift supervisor of every incident involving an officer’s Serious Use of Force, and any Use of Force that could appear to a reasonable supervisor to constitute misconduct; and
- l. Notify the Detective Division and shift supervisor of every force incident in which it could reasonably appear to a supervisor that an officer engaged in criminal conduct.

76. In consultation with the COCL, the Inspector shall conduct a quarterly analysis of

Page 20 Amended Settlement Agreement Pursuant to Fed. R. Civ. P. 41(a)(2)
United States v. City of Portland, Case No. 3:12-cv-02265-SI

force data and supervisors' Directive 940.00 reports designed to:

- a. Determine if significant trends exist;
- b. Determine if there is variation in force practice away from PPB policy in any unit;
- c. Determine if any officer, PPB unit, or group of officers is using force differently or at a different rate than others, determine the reason for any difference and correct or duplicate elsewhere, as appropriate;
- d. Identify and correct deficiencies revealed by the analysis; and
- e. Document the Inspector's findings in an annual public report.

77. In consultation with the COCL, the Inspector shall audit the adequacy of chain of command reviews of After Action Reports using the following performance standards to ensure that all supervisors in the chain of command:

- a. Review Directive 940.00 findings using a preponderance of the evidence standard;
- b. Review Directive 940.00 reports to ensure completeness and order additional investigation, when necessary;
- c. Modify findings as appropriate and document modifications;
- d. Order additional investigation when it appears that there is additional relevant evidence that may assist in resolving inconsistencies or improve the reliability or credibility of the findings and counsel the investigator;
- e. Document any training deficiencies, policy deficiencies, or poor tactical decisions, ensure a supervisor discusses poor tactical decisions with the officer and ensure the discussion is documented in EIS;
- f. Suspend an investigation immediately and notify the branch Assistant Chief,

the Director of PSD, and the Detectives Division whenever the investigating supervisor, shift commander or Division commander finds evidence of apparent criminal conduct by a PPB officer; and

- g. Reports a matter to PSD for review and investigation whenever an investigating supervisor, shift commander or precinct commander finds evidence of apparent misconduct by a PPB officer or employee.

IV. TRAINING

78. All aspects of PPB training shall reflect and instill agency expectations that officers are committed to the constitutional rights of the individuals who have or are perceived to have mental illness whom they encounter, and employ strategies to build community partnerships to effectively increase public trust and safety. To achieve these outcomes, PPB shall implement the requirements below.

79. The Training Division shall review and update PPB's training plan annually. To inform these revisions, the Training Division shall conduct a needs assessment and modify this assessment annually, taking into consideration: (a) trends in hazards officers are encountering in performing their duties; (b) analysis of officer safety issues; (c) misconduct complaints; (d) problematic uses of force; (e) input from members at all levels of PPB; (f) input from the community; (g) concerns reflected in court decisions; (h) research reflecting best practices; (i) the latest in law enforcement trends; (j) individual precinct needs; and (k) any changes to Oregon or federal law or PPB policy.

80. Within 180 days of the Effective Date, PPB shall develop and implement a process that provides for the collection, analysis, and review of data regarding the effectiveness of training for the purpose of improving future instruction, course quality, and curriculum. These evaluations shall measure and document student satisfaction with the training received; student learning as a

result of training; and the extent to which program graduates are applying the knowledge and skills acquired in training to their jobs. This audit shall be reported to the Training Division Manager and shall include student evaluations of the program and the instructor.

81. PPB shall ensure that the Training Division is electronically tracking, maintaining, and reporting complete and accurate records of current curricula, lesson plans, training delivered, attendance records, and other training materials in a central, commonly-accessible, and organized file system. Each officer's immediate supervisor shall review the database for the officers under his/her command at least semi-annually.

82. PPB shall report training delivered and received semi-annually to the Assistant Chief of Operations and, during the pendency of this Agreement, to DOJ.

83. PPB shall institute guidelines to govern its selection of officers that serve as trainers and shall ensure that those officers do not have a history of using excessive force. The trainer selection guidelines shall prohibit the selection of officers who have been subject to disciplinary action based upon the use of force or mistreatment of people with mental illness within the three (3) preceding years, or twice in the preceding five (5) years, and will take into account if a civil judgment has been rendered against the City in the last five (5) years based on the officer's use of force.

84. All training that PPB provides shall conform to PPB's current policies at the time of training. PPB shall train all officers on the Agreement's requirements during the next in-service training scheduled.

- a. With respect to patrol officers, PPB shall:
 - i. increase the use of role-playing scenarios and interactive exercises that illustrate proper use of force decision making, specifically including interactions with people who have or are perceived to have mental illness, including training officers on the importance and impact of ethical decision

- making and peer intervention;
 - ii. emphasize the use of integrated de-escalation techniques, when appropriate, that encourage officers to make arrests without using force;
 - iii. continue to provide training regarding an officer's duty to procure medical care whenever a subject is injured during a force event, and enhance and revise training as necessary to ensure that PPB's training in this regard is proactive and responsive to deficiencies identified by the Inspector, if any;
 - iv. continue to train on proactive problem solving and to utilize, when appropriate, disengagement, area containment, surveillance, waiting out a subject, summoning reinforcements, requesting specialized units, including CIT officers and mental health professionals, or delaying arrest;
 - v. describe situations in which a force event could lead to potential civil or criminal liability; and
 - vi. continue to train officers to avoid using profanity, prohibit using derogatory/demeaning labels, and also avoiding terms not currently appropriate for person-center communication, such as the term "mentals," in all work-related settings and communications, as well as when interacting with the public.
- b. With respect to supervisors, provide additional training on how to:
- i. conduct use of force investigations, including the supervisory investigatory responsibilities identified in **Section III.A.3**;
 - ii. evaluate officer performance as part of PPB's annual performance evaluation system; and
 - iii. foster positive career development and impose appropriate disciplinary

sanctions and non-disciplinary corrective action.

85. In consultation with the COCL, the Inspector shall audit the training program using the following performance standards to ensure that PPB does the following:

- a. Conducts a comprehensive needs assessment annually;
- b. Creates a Training Strategic Plan annually;
- c. Within 180 days of the Effective Date, develops and implements a process for evaluation of the effectiveness of training;
- d. Maintains accurate records of Training delivered, including substance and attendance;
- e. Makes Training Records accessible to the Director of Services, Assistant Chief of Operations, and DOJ;
- f. Trains Officers, Supervisors, and Commanders on areas specific to their responsibilities; and
- g. Ensures that sworn PPB members are provided a copy of all PPB directives and policies issued pursuant to this Agreement, and sign a statement acknowledging that they have received, read, and had an opportunity to ask questions about the directives and/or policies, within 30 days of the release of the policy.

86. In consultation with the COCL, the Inspector shall gather and present data and analysis on a quarterly basis regarding patterns and trends in officers' uses of force to the Chief, the PPB Training Division, and to the Training Advisory Council. The Training Division and Training Advisory Council shall make written recommendations to the Chief regarding proposed changes in policy, training, and/or evaluations based on the data presented. The Inspector shall also, in coordination with the COCL and PSD, identify problematic use of force patterns and training

deficiencies. The Chief's Office shall assess all use of force patterns identified by the Training Division and/or Training Advisory Council and timely implement necessary remedial training to address deficiencies so identified.

87. Training Advisory Council meetings will be open to the public unless the matter under discussion is confidential or raises public safety concerns, as determined by the Chief.

V. COMMUNITY-BASED MENTAL HEALTH SERVICES

88. The absence of a comprehensive community mental health infrastructure often shifts to law enforcement agencies throughout Oregon the burden of being first responders to individuals in mental health crisis. Under a separate agreement, the United States is working with State of Oregon officials in a constructive, collaborative manner to address the gaps in state mental health infrastructure. The state-wide implementation of an improved, effective community-based mental health infrastructure should benefit law enforcement agencies across the State, as well as people with mental illness. The United States acknowledges that this Agreement only legally binds the City to take action. Nonetheless, in addition to the City, the United States expects the City's partners to help remedy the lack of community-based addiction and mental health services to Medicaid clients and uninsured area residents. The City's partners in the provision of community-based addiction and mental health services include: the State of Oregon Health Authority, area Community Care Organizations ("CCOs"), Multnomah County, local hospitals, health insurance providers, commercial health providers, and existing Non-Governmental Organizations ("NGOs") such as community-based mental health providers, and other stakeholders.

89. The United States expects that the local CCOs will establish, by mid- 2013, one or more drop-off center(s) for first responders and public walk-in centers for individuals with addictions and/or behavioral health service needs. All such drop off/walk in centers should focus care plans on appropriate discharge and community-based treatment options, including assertive

community treatment teams, rather than unnecessary hospitalization.

90. The CCOs will immediately create addictions and mental health- focused subcommittee(s), which will include representatives from PPB's Addictions and Behavioral Health Unit ("ABHU"), the ABHU Advisory Board, Portland Fire and Rescue, Bureau of Emergency Communications ("BOEC") and other City staff. These committees will pursue immediate and long-term improvements to the behavioral health care system. Initial improvements include:

- a. Increased sharing of information, subject to lawful disclosure, between agencies and organizations including BOEC, Multnomah County, and health care providers to create an information exchange among first responders and providers to better serve those suffering from mental illness;
- b. Creation of rapid-access clinics so those in crisis have access to timely medication management appointments;
- c. Enhancing access to primary care providers to shift low-to- moderate acuity patients to primary care programs creating more capacity for acute patients in existing outpatient crisis mental health systems;
- d. Expanding the options and available capacity for BOEC Operators to appropriately divert calls to qualified civilian mental health providers as first responders;
- e. Addressing issues of unmet needs identified by Safer PDX and its community partners;
- f. Expanding and strengthening networks of Peer-Mediated services to:
 - i. develop a referral guide delineating these services and locations and assist with accessing information;
 - ii. better educate the community of the viability of these services as alternative

first engagement sites/programs for those having difficulty engaging with “professional driven” services;

- iii. expand peer services connected to peer supports in the community for inpatient psychiatric units (including Emergency Departments) and in the community;
- iv. add peer guides to work alongside Emergency Department guides for those patients with behavioral health issues entering the Emergency Department; and
- v. evaluate opportunities to expand use of peers to coordinate with PPB ABHU (as described herein) and function as a link with impacted individuals; and
- g. pursue tele-psychiatry (a provision of mental health care by video conferencing) as a way for first responders to take advantage of existing IT infrastructure to provide direct care or provider- evaluation supporting the provision of appropriate services to an individual in crisis.

VI. CRISIS INTERVENTION

The City acknowledges that the community of consumers of mental health services, and their families and advocates, have an interest in interactions between PPB and people experiencing mental health symptoms or crises. The PPB will add new capacity and expertise to deal with persons perceived or actually suffering from mental illness, or experiencing a mental health crisis as required by this Agreement. Despite the critical gaps in the state and local mental health system, the City and PPB must be equipped to interact with people in mental health crisis without resorting to unnecessary or excessive force.

A. Addictions and Behavioral Health Unit and Advisory Committee

91. In order to facilitate PPB's successful interactions with mental health consumers and improve public safety, within 60 days of the Effective Date, PPB shall develop an Addictions and Behavioral Health Unit ("ABHU") within the PPB. PPB shall assign command-level personnel of at least the rank of Lieutenant to manage the ABHU. ABHU shall oversee and coordinate PPB's Crisis Intervention Team ("C-I Team"), Mobile Crisis Prevention Team ("MCPT"), and Service Coordination Team ("SCT"), as set forth in this Agreement.

92. ABHU will manage the sharing and utilization of data that is subject to lawful disclosure between PPB and Multnomah County, or its successor. PPB will use such data to decrease law enforcement interactions or mitigate the potential uses of force in law enforcement interactions with consumers of mental health services.

93. ABHU shall track outcome data generated through the C-I Team, MCPT, and SCT, to: (a) develop new response strategies for repeat calls for service; (b) identify training needs; identify and propose solutions to systemic issues that impede PPB's ability to provide an appropriate response to a behavioral crisis event; and (c) identify officers' performance warranting commendation or correction.

94. Within 90 days of the Effective Date, PPB shall also establish an ABHU Advisory Committee. The ABHU Advisory Committee shall include representation from: PPB command leadership, CIT, MCPT, and SCT; BOEC; civilian leadership of the City government; and shall seek to include representation from: the Multnomah County's Sheriff's Office; Oregon State Department of Health and Human Services; advocacy groups for consumers of mental health services; mental health service providers; coordinated care organizations; and persons with lived experience with mental health services.

95. The ABHU Advisory Committee shall provide guidance to assist the City and PPB

in the development and expansion of C-I Team, MCPT, SCT, BOEC Crisis Triage, and utilization of community-based mental health services. The ABHU Advisory Committee shall analyze and recommend appropriate changes to policies, procedures, and training methods regarding police contact with persons who may be mentally ill or experiencing a mental health crisis, with the goal of de-escalating the potential for violent encounters. The ABHU Advisory Committee shall report its recommendations to the ABHU Lieutenant, PPB Compliance Coordinator, COCL (as described herein), and the BOEC User Board.

96. Within 240 days of the Effective Date of this Agreement, the ABHU Advisory Committee will provide status reports on the implementation of the ABHU and BOEC Crisis Triage, and identify recommendations for improvement, if necessary. PPB will utilize the ABHU Advisory Committee's recommendations in determining appropriate changes to systems, policies, and staffing.

B. Continuation of C-I Program

97. PPB provides C-I Training to all its officers. C-I is a core competency skill for all sworn police officers in the City. PPB shall continue to train all officers on C-I.

98. PPB agrees to continue to require a minimum of 40 hours of C-I training to all officers before officers are permitted to assume any independent patrol or call- response duties. Additionally, PPB shall include C-I refresher training for all officers as an integral part of PPB's on-going annual officer training. PPB's Training Division, in consultation with ABHU Advisory Committee, shall determine the subjects and scope of initial and refresher C-I training for all officers.

C. Establishing "Memphis Model" Crisis Intervention Team

99. Within 120 days of the Effective Date, PPB shall establish a Memphis Model Crisis Intervention team ("C-I Team").

100. PPB's C-I Team shall be comprised of officers who volunteer for assignment to the C-I Team. The number of C-I Team members will be driven by the demand for C-I Team services, with an initial goal of 60-80 volunteer, qualified officers.

101. No officers may participate in C-I Team if they have been subject to disciplinary action based upon use of force or mistreatment of people with mental illness within the three years preceding the start of C-I Team service, or during C-I Team service. PPB, with the advice of the ABHU Advisory Committee, shall define criteria for qualification, selection, and ongoing participation of officers in the C-I Team.

102. PPB shall specially train each C-I Team member before such member may be utilized for C-I Team operations. PPB, with the advice of the ABHU Advisory Committee, shall develop such training for C-I Team members consistent with the Memphis Model.

103. C-I Team members will retain their normal duties until dispatched for use as a C-I Team. BOEC or PPB may dispatch C-I Team members to the scene of a crisis event.

104. PPB will highlight the work of the C-I Team to increase awareness of the effectiveness of its work.

105. For each crisis event to which a C-I Team is dispatched, the C-I Team member shall gather data that ABHU shall utilize to track and report data on public safety system interactions with individuals with perceived or actual mental illness or who are in crisis. These data shall include:

- a. Date, time, and location of the incident;
- b. Subject's name, age, gender, and address;
- c. Whether the subject was armed, and the type of weapon;
- d. Whether the subject is a U.S. military veteran;
- e. Complainant's name and address;
- f. Name and DPSST number of the officer on the scene;

- g. Whether a supervisor responded to the scene;
- h. Techniques or equipment used;
- i. Any injuries to officers, subject, or others;
- j. Disposition;
- k. Whether a mental health professional responded to the scene;
- l. Whether a mental health professional contacted the subject as a result of the call; and
- m. A brief narrative of the event (if not included in any other document).

D. Mobile Crisis Prevention Team

106. PPB currently has an MCPT comprised of a two-person team, one sworn officer and one contractor who is a qualified mental health professional. Within 120 days of the Effective Date, City shall expand MCPT to provide one MCPT carper PPB precinct.

107. Each MCPT car shall be staffed by one sworn PPB officer and one qualified mental health professional. MCPT shall be the fulltime assignment of each such officer.

108. No officers may participate in MCPT if they have been subject to disciplinary action based upon use of force or mistreatment of people with mental illness within the three years preceding the start of MCPT service, or during MCPT service. PPB, with the advice of the ABHU Advisory Committee, shall define criteria for qualification, selection, and ongoing participation of officers in the MCPT.

109. PPB shall specially train each MCPT member before such member may be utilized for MCPT operations. PPB, with the advice of the ABHU Advisory Committee, shall develop such training for MCPT members.

110. MCPT shall utilize C-I Team data to proactively address mental health service, in part, by connecting service recipients with service providers.

111. Within 180 days of the Effective Date, PPB, with the advice of the ABHU Advisory Committee, shall develop policies and procedures for the transfer of custody or voluntary referral of individuals between PPB, receiving facilities, and local mental health and social service agencies. These policies and procedures shall clearly describe the roles and responsibilities of these entities and of MCPT officers in the process.

E. Service Coordination Team

112. The Service Coordination Team (“SCT”), or its successor, shall serve to facilitate the provision of services to individuals who interact with PPB that also have a criminal record, addictions, and highly acute mental or physical health service needs.

F. BOEC

113. Within 120 days of the Effective Date, BOEC and PPB, with the advice of the ABHU Advisory Committee, shall complete policies and procedures to triage calls related to mental health issues, including changes to protocols for assigning calls to Multnomah County Crisis Call Center, and adding new or revised policies and protocols to assign calls to the PPB ABHU or directly to NGOs or community-based mental health professionals.

115. Within 180 days of the Effective Date, the City shall ensure Crisis Triage is fully operational to include the implementation of the policies and procedures developed pursuant to the above paragraph and operation by trained staff.

VII. EMPLOYEE INFORMATION SYSTEM

116. PPB has an existing Employee Information System (“EIS”) to identify employees and design assistance strategies to address specific issues affecting the employee. *See* PPB Manual

345.00. PPB agrees to enhance its EIS to more effectively identify at-risk employees, supervisors and teams to address potentially problematic trends in a timely fashion. Accordingly, within 90 days of the Effective Date, PPB shall:

- a. Require that commanders and supervisors conduct prompt reviews of EIS records of employees under their supervision and document the review has occurred in the EIS performance tracker;
- b. Require that commanders and supervisors promptly conduct reviews of EIS for officers new to their command and document the review has occurred in the EIS performance tracker; and
- c. Require that EIS staff regularly conduct data analysis of units and supervisors to identify and compare patterns of activity.

117. PPB agrees to use force audit data to conduct similar analyses at supervisor- and team-levels.

118. PPB shall continue to use existing thresholds, and specifically continue to include the following thresholds to trigger case management reviews:

- a. Any officer who has used force in 20% of his or her arrests in the past six months; and
- b. Any officer who has used force three times more than the average number of uses of force compared with other officers on the same shift.

119. Within 90 days of the Effective Date, PPB shall add one additional threshold to trigger case management review any officer who has three uses of force in a one-month period.

120. Within 90 days of the Effective Date, PPB shall PPB identify and train a second EIS administrator. This individual may be assigned to other tasks within the Professional Standards Division or as otherwise needed.

VIII. OFFICER ACCOUNTABILITY

PPB and the City shall ensure that all complaints regarding officer conduct are fairly addressed; that all investigative findings are supported by a preponderance of the evidence and documented in writing; that officers and complainants receive a fair and expeditious resolution of complaints; and that all officers who commit misconduct are held accountable pursuant to a disciplinary system that is fair and consistent. The City and PPB seek to retain and strengthen the citizen and civilian employee input mechanisms that already exist in the PPB's misconduct investigations by retaining and enhancing IPR and CRC as provided in this Agreement.

A. Investigation Timeframe

121. PPB and the City shall complete all administrative investigations of officer misconduct within one-hundred eighty (180) days of receipt of a complaint of misconduct, or discovery of misconduct by other means. For the purposes of this provision, completion of administrative investigations includes all steps from intake of allegations through approval of recommended findings by the Chief, excluding appeals, if any, to CRC. Appeals to CRC should be resolved within 90 days.

122. PPB shall conduct administrative investigations concurrently with criminal investigations, if any, concerning the same incident. All administrative investigations shall be subject to appropriate tolling periods as necessary to conduct a concurrent criminal investigation, or as otherwise provided by law, or as necessary to meet the CRC or PRB recommendation to further investigate.

123. If PPB is unable to meet these timeframe targets, it shall undertake and provide to DOJ a written review of the IA process, to identify the source of the delays and implement an action plan for reducing them.

B. On Scene Public Safety Statements and Interviews

124. Within 90 days of the Effective Date, the City and PPB shall review its protocols for compelled statements to PSD and revise as appropriate so that it complies with applicable law and current professional standards, pursuant to *Garritty v. New Jersey*, 385 U.S. 493 (1967). The City will submit the revised protocol to DOJ for review and approval. Within 45 days of obtaining DOJ's approval, PPB shall ensure that all officers are advised on the revised protocol.

125. Separation of all witness and involved officers to lethal force events is necessary in order to safeguard the integrity of the investigation of that event. Immediately following any lethal force event, PPB shall continue to issue a communication restriction order ("CRO") to all witness and involved officers, prohibiting direct or indirect communications between those officers regarding the facts of the event. The CRO will continue, unless extended further, until the conclusion of the Grand Jury or, if no Grand Jury is convened, until a disposition is determined by the District Attorney.

126. PPB shall continue to require witness officers to lethal force events to give an on-scene briefing to any supervisor and/or a member of the Detective Division to ensure that victims, suspects, and witnesses are identified, evidence is located, and provide any information that may be required for the safe resolution of the incident, or any other information as may be required.

127. In agreement and collaboration with the Multnomah County District Attorney, PPB shall request that involved officers in lethal force and in-custody death events provide a voluntary, on-scene walk-through and interview, unless the officer is incapacitated.

C. Conduct of IA Investigations

128. Currently, both IPR and PPB's PSD have authority to conduct administrative investigations, provided that IPR interview of PPB Officers must only be conducted jointly with IA. Within 120 days of the Effective Date, the City will develop and implement a plan to reduce time

and effort consumed in the redundant interview of witnesses by both IPR and IA, and enable meaningful independent investigation by IPR, when IPR determines such independent investigation is necessary.

129. The City and PPB shall ensure that all allegations of use of excessive force are subject to full and completed IA investigations resulting in findings, unless there is clear and convincing evidence to IPR that the allegation has no basis in fact.

130. The City and PPB shall continue to expressly prohibit all forms of retaliation, including discouragement, intimidation, coercion, or adverse action, against any person who reports misconduct, makes a misconduct complaint, or cooperates with an investigation of misconduct.

131. The City and PPB shall retain Police Review Board procedures currently utilized for purposes of investigation and making recommended findings on administrative complaints, except as outlined below:

- a. Currently, seven voting members of the PRB review use of force incidents, including two citizen members. When PRB reviews uses of force case, one of the two citizen member slots shall be drawn from the Citizen Review Committee members.
- b. The CRC slot on the PRB in use of force cases will rotate among the CRC membership so that different CRC members participate on the PRB. Within 60 days of the Effective Date, the Auditor shall develop a membership rotation protocol.
- c. All members participating in the PRB must maintain confidentiality and be able to make thoughtful, unbiased, objective recommendations to the Chief of Police and Police Commissioner that are based on facts, consistent with PRB city code provisions and “just cause” requirements set forth in Portland

City Charter, City rules, and labor agreements.

- d. Cases in which the member elects, with the concurrence of the Chief and the Police Commissioner, to accept the investigative findings and recommended discipline. This option will only be available to a member following implementation of code language which shall require at a minimum a full investigation of the alleged misconduct, issuance of the investigative findings, and concurrence with the findings by the Independent Police Review, the Professional Standards Division and the member's Branch Chief. The scope of cases eligible for stipulated discipline shall be identified in the authorizing code, and cases involving alleged use of excessive force, cases involving alleged discrimination, disparate treatment or retaliation, reviews of officer involved shootings and in-custody deaths, and cases in which the Chief or the Police Commissioner does not agree to accept the member's proposed stipulation to findings and recommended discipline shall not be eligible for stipulated findings and recommended discipline.
- e. All community members and CRC members must meet the following qualifications to participate on the PRB:
 - i. Pass a background check performed by the Bureau.
 - ii. Participate in Bureau training to become familiar with police training and policies, including the PRB process.
 - iii. Sign a confidentiality agreement.
 - iv. Participate in ride-alongs to maintain sufficient knowledge of police patrol procedures.
- f. Current city code provides that the City Auditor and the Chief have authority

to recommend to City Council the removal of citizen members from the PRB pool. Likewise, the City Auditor or Chief shall have authority to recommend to City Council removal of a CRC member from serving on the PRB. The Chief or the City Auditor may recommend that City Council remove a community member or member of the CRC from the pool for the following reasons:

- i. Failure to attend training;
 - ii. Failure to read Case Files;
 - iii. Objective demonstration of disrespectful or unprofessional conduct;
 - iv. Repeated unavailability for service when requested;
 - v. Breach of confidentiality;
 - vi. Objective demonstration of bias for or against the police; or
 - vii. Objective demonstration of conflict of interest.
- g. Removal from participation in the PRB shall not affect CRC membership.
- h. Like current PRB citizen members, CRC members serving on the PRB may serve in that capacity for no more than three (3) years.
- i. A CRC member who participates in a PRB review shall recuse himself/herself during any later appeal of the same allegation(s) to the CRC.

132. By majority vote, the PRB may request that investigations of misconduct be returned to its investigating entity, i.e. PSD or IPR, to complete the investigation as to factual matters necessary to reach a finding regarding the alleged misconduct. The investigating entity must make reasonable attempts to conduct the additional investigation or obtain the additional information within 10 business days or provide a written statement to the PRB explaining why additional time is needed.

133. If an officer's use of force gives rise to a finding of liability in a civil trial, PPB shall: (1) enter that civil liability finding in the EIS; (2) reevaluate the officer's fitness to participate in all current and prospective specialized units ; (3) if no IA investigation has previously been conducted based upon the same allegation of misconduct and reached an administrative finding, conduct a full IA investigation with the civil trial finding creating a rebuttable presumption that the force used also violated PPB policy, which presumption can only be overcome by specific, credible evidence by a preponderance of evidence; (4) if an IA investigation has already concluded based upon the same allegation of misconduct and failed to reach a sustained finding, identify whether any new evidence exists in the record of the civil trial to justify the reopening of the IA investigation, and if so, reinstate an IA investigation; and (5) if an IA investigation has already concluded based upon the same allegation of misconduct and failed to reach a sustained finding, and no new evidence from the civil trial justifies reopening the IA investigation, work with IPR to identify the reason why the administrative finding was contrary to the civil trial finding and publish a summary of the results of the inquiry.

D. CRC Appeals

134. The City shall expand the membership of the CRC to 11 members, representative of the many and diverse communities in Portland, who are neutral, unbiased, and capable of making objective decisions. The quorum of CRC members necessary to act may remain at its existing level.

135. The City and PPB agree that the CRC may find the outcome of an administrative investigation is unreasonable if the CRC finds the findings are not supported by the evidence.

136. In its review process for purposes of the appeal, the CRC may make one request for additional investigation or information to the investigating entity, i.e. PSD or IPR at any point during its review. The investigating entity must make reasonable attempts to conduct the additional investigation or obtain the additional information within 10 business days or provide a written

statement to the CRC explaining why additional time is needed. The request for additional investigation or information may contain multiple points of inquiry, but no follow-up requests will be permitted. The additional request be voted on by a quorum, the members voting must have read the Case File in order to vote, and any request with multiple points of inquiry must be prioritized.

E. Discipline

137. Within 60 days of the Effective Date, PPB and the City shall develop and implement a discipline guide to ensure that discipline for sustained allegations of misconduct is based on the nature of the allegation and defined, consistent, mitigating and aggravating factors and to provide discipline that is reasonably predictable and consistent.

F. Communication with Complainant and Transparency

138. Within 180 days of the Effective Date, the City shall enhance its existing website to ensure that a complainant can file and track his or her own complaint of officer misconduct.

139. Within 120 days of the Effective Date, the City shall review its protocols to ensure that the City shares with complainants requested documentation about his or her own complaint to the extent permitted bylaw.

140. The City shall ensure that IPR provides each complainant a tracking number upon receipt of the complaint, informs each complainant of the complaint classification, assignment (precinct or IA) and outcome of the complaint (sustained, unproven, etc.) in writing (whether mail, email/text, or fax), including information regarding whether the City took any corrective action. The City Attorney's Office shall determine whether disclosures regarding corrective action are required on a case- by-case basis consistent with Oregon's Public Records Law.

164. For the purpose of monitoring this Agreement, DOJ and its consultative experts and agents shall have full and direct access to all PPB and City staff, employees, facilities, and documents, that DOJ reasonably deems necessary to carry out the enforcement and monitoring provisions of this Agreement to the extent permitted by law. DOJ and its consultative experts and agents shall cooperate with PPB and the City to access involved personnel, facilities, and documents in a reasonable manner that minimizes interference with daily operations; however, DOJ may conduct on-site reviews without prior notice to PPB or the City. DOJ shall provide PPB or the City with reasonable notice of a request for copies of documents. Upon such request, PPB or the City shall provide DOJ with copies (electronic, where readily available) of any documents that DOJ is entitled to access under this Agreement, except any documents protected by the attorney-client privilege. Should PPB decline to provide DOJ with access to a document based on attorney-client privilege, PPB promptly shall provide DOJ with a log describing the document, including its author, recipients, date of production, and general topic.

165. All non-public information provided to the COCL or DOJ by PPB or the City shall be maintained in a confidential manner. Nothing in this Agreement requires the City to disclose documents protected from disclosure by the Oregon Public Records Law to third parties.

D. Review of Policies and Investigations

166. Within 180 days of the Effective Date, PPB shall revise and/or develop its policies, procedures, protocols, training curricula, and practices to ensure that they are consistent with, incorporate, address, and implement all provisions of this Agreement specific to force, training, community-based mental health services, crisis intervention, employee information system, officer

accountability, and community engagement. PPB shall revise and/or develop as necessary other written documents such as handbooks, manuals, and forms, to effectuate the provisions of this Agreement. PPB shall send new or revised policies, procedures, protocols, and training curricula regarding use of force, interactions with persons in mental health crisis and systems of accountability to DOJ as they are promulgated, with a copy to the COCL. DOJ and the COCL will provide comments within 45 days and will not unreasonably withhold recommendations about policies, procedures, protocols, and training curricula. The COCL shall seek the timely input of the relevant members of the Training Division and patrol officers, as well members of the community. If the City disagrees with DOJ's comments, the City shall, within 14 days of being informed of the DOJ's comments, inform the Parties in writing of the disagreement. Within 14 days thereafter, the Parties shall meet and confer on the disagreement at a mutually agreeable time. Upon approval by the Parties, policies, procedures, training curricula, and manuals shall be implemented within 30 days of agreement or the Court's decision. PPB shall provide initial and in-service training to all officers and supervisors with respect to newly implemented or revised policies and procedures. PPB shall document employee review of and training in new or revised policies and procedures.

167. The Chief shall post on PPB's website final drafts of all new or revised policies that are proposed specific to force, training, community-based mental health services, crisis intervention, employee information system, officer accountability, and community engagement, to allow the public an opportunity for notice and comment, prior to finalizing such policies.

168. The Chief's Office shall coordinate a review of each policy or procedure required by this Agreement 180 days after such policy or procedure is implemented, and annually thereafter (on a regularly published schedule), to ensure that such policy or procedure provides effective direction to PPB personnel and remains consistent with the purpose and requirements of this Agreement.

169. PPB shall apply policies uniformly and hold officers accountable for complying with

PPB policy and procedure.

170. In addition to compliance reviews, the COCL shall lead semi-annual qualitative and quantitative outcome assessments to measure whether the City and PPB's implementation of this Agreement has created: (1) capable systems and resources for responding to persons in mental health crisis; (2) competent accountability and oversight systems; (3) effective training for police officers that increases the knowledge, skills and abilities necessary for effective and successful delivery of service to persons in mental health crisis; (4) proper management of the use of force to meet constitutional standards; and (5) robust systems of community engagement. These outcome assessments shall be informed by the following:

- a. Use of Force Data:
 - i. the number of police interactions where force was used on individuals with actual or perceived mental illness, including the type of force used; the reason for the interaction, i.e., suspected criminal conduct or a well-being check; the threat to public safety, including whether the person was armed and if so, with what; a description of the type of resistance offered, if any; and a description of any attempts at strategic disengagement;
 - ii. the rate of force used per arrest by PPB; force implement used; geographic area (i.e., street address, neighborhood, or police precinct or district); type of arrest; and demographic category;

171. In conducting these outcome assessments, the COCL may use any relevant data collected and maintained by PPB, provided that it has determined, and the Parties agree, that this data is reasonably reliable and complete. Additionally, the COCL shall solicit input from community groups or initiatives that have relevant experience conducting statistical analyses. The COCL will contribute to and review the Annual Community Survey.

172. Two years after the Effective Date, DOJ shall conduct a comprehensive assessment

to determine whether and to what extent the outcomes intended by the Agreement have been achieved. DOJ will further examine whether any modifications to the Agreement are necessary in light of changed circumstances or unanticipated impact (or lack of impact) of the Agreement's requirements. This assessment also shall address areas of greatest achievement and the requirements that appear to have contributed to this success, as well as areas of greatest concern, including strategies for accelerating full and effective compliance. Based upon this comprehensive assessment, DOJ may recommend modifications to the Agreement that are necessary to achieve and sustain intended outcomes. Where the City agrees with DOJ's recommendations, the Parties shall stipulate to modify the Agreement accordingly. Nothing in this assessment shall empower DOJ to unilaterally modify the terms of this Agreement.

E. City Reports and Records

173. Beginning with the COCL's first quarterly report, as set forth in paragraph 166 of this Agreement, PPB shall prepare a status report no later than 45 days before the COCL's quarterly report is due. The PPB Compliance Coordinator shall lead the effort in preparing this status report and shall provide copies to the COCL, DOJ, and the public. PPB's report shall delineate the steps taken by PPB during the reporting period to comply with each provision of this Agreement.

174. PPB shall maintain all records, as applicable, necessary to document their compliance with the terms of this Agreement and all documents expressly required by this Agreement.

F. Enforcement

175. The Parties agree jointly to file this Agreement with the United States District Court for the District of Oregon, in a matter to be captioned *United States v. City of Portland*, Civil Action No. --CV--. The joint motion shall request that the Court enter the Agreement pursuant to Federal Rule of Civil Procedure 41(a)(2), and conditionally dismiss the complaint in this action with prejudice, while retaining jurisdiction to enforce the Agreement. If the Court does not retain

jurisdiction to enforce the Agreement, the Agreement shall be void.

- a. The Parties anticipate that the City will have substantially complied with all provisions of the Agreement by October 12, 2017. Substantial compliance is achieved if any violations of the Agreement are minor or occasional and are not systemic.
- b. The Court shall retain jurisdiction of this action for all purposes until the City has substantially complied with all provisions of this Agreement and maintain substantial compliance with all provisions for one year.
- c. The Parties may agree to jointly ask the Court to terminate the Agreement before the end of the five year term, provided the City has substantially complied with all provisions of the Agreement and maintained substantial compliance with all provisions for one year. If the case has not yet been dismissed, the Parties agree to ask the Court for a non-evidentiary hearing on the status of compliance on or near October 12, 2017. If the Parties agree that there is non-compliance, or if there is a dispute about compliance, the Parties will so inform the Court, and the Court may set additional hearing dates as appropriate. The Parties may agree jointly at any time to allow for additional time to resolve compliance issues.

176. The United States acknowledges the good faith of PPB and the City in trying to address the remedial measures that are needed to promote police integrity and ensure constitutional policing in the City. The United States, however, reserves its right to seek enforcement of the provisions of this Agreement if it determines that PPB or the City have failed to fully comply with any provision of this Agreement.

177. The United States understands that many portions of this Agreement will take time

to implement and that implementation may require changes to, among other things, collective bargaining agreements, the city code, and current city policies and will likely require additional revenue resources that have not yet been identified at the time this Agreement is executed.

178. If the United States reasonably believes the City has failed to implement the terms of the Agreement, it shall promptly notify the City in writing and identify with specificity the portion or portions of the Agreement about which it has concerns. Similarly, if the City believes that DOJ has misinterpreted a provision of this Agreement it may promptly notify DOJ of its concerns, noting the specific portions of the Agreement that it believes has been misinterpreted.

179. Notices provided by the United States or by the City shall be in writing and provided by mail to the following persons:

Chief of Police
1111 SW Second
Portland, Oregon 97204

City Attorney
1221 SW 4th Avenue, Suite #430
Portland, Oregon 97204

Section Chief
Special Litigation Section
950 Pennsylvania Ave., N.W.
20530

U.S. Attorney
District of Oregon
1000 S.W. Third Ave., Suite 600 Washington, D.C.
Portland, OR 97204

180. Following receipt by mail of any written Notice, the City or DOJ shall respond in writing within 30 days to the concerns raised by the other Party. Depending on the nature and number of the concerns the City or DOJ may request additional time to respond, and such a request shall not be unreasonably denied. The Notice and the Party's Response thereto shall be considered to be in the nature of settlement discussions between the Parties and subject to Federal Rule of Procedure 408.

181. If the Response fails to resolve the other Party's concerns, the Parties agree to meet as soon thereafter as is mutually convenient to discuss the City's compliance with the portion(s) of the Agreement identified in the Notice or the interpretation of the Agreement by DOJ. Persons

attending the meeting shall have authority to resolve the concerns, unless resolution of the concern requires adoption of an ordinance or resolution by City Council or by the Assistant Attorney General in Charge of the DOJ Civil Rights Division.

182. If a meeting between the Parties fails to resolve the concerns, the Parties agree to participate in mediation conducted by a neutral third party mutually agreeable to the Parties. If the Parties cannot agree upon the selection of a mediator, the Parties shall submit three names of potential mediators to each other. Each Party may then strike two of the three names provided by the other Party. The remaining two names shall be given to the Chief Judge of the U.S. District Court for the District of Oregon and the Chief Judge shall appoint the mediator from one of the names provided.

183. If mediation fails to resolve the concerns, the United States or the City may file a Motion in the Federal District Court for the District of Oregon, located in Portland, Oregon, to enforce compliance with the terms of this Agreement or to seek a Declaration of the meaning of this agreement. The Motion or request for Declaration shall only allege concerns raised by the Parties which were the subject of mediation. The Parties shall then meet with the court to schedule a date on which the Motion or Declaration shall be heard or will otherwise comply with the court's preferred procedure. The Parties agree the Judge hearing the Motion shall determine whether or not the Agreement has been breached and may interpret the meaning of the Agreement and has the power to issue an appropriate remedy, if any. If, for any reason, the Judge finds the City is not in compliance with the Agreement, but that noncompliance was beyond the reasonable control of the City, the City shall not be in breach of this Agreement. However, in the event of noncompliance beyond the reasonable control of the City, the Parties agree that the Court may exercise its equitable powers to devise an appropriate remedy or modification of this Agreement to accomplish the same result as that intended by the portion of the Agreement with which noncompliance was found,

provided the Parties cannot reach agreement on the remedy or modification.

184. Nothing prohibits the Parties from engaging in any informal or formal discussions regarding this Agreement or the City's compliance with this Agreement. The Parties may jointly stipulate to make changes, modifications, and amendments to this Agreement, which shall be effective, absent further action from the Court, 45 days after a joint motion has been filed with the Court. Any modification of this Agreement by the City of Portland must be approved by the City Council of the City by written ordinance.

185. The Parties agree to defend the provisions of this Agreement. The Parties shall notify each other of any court or administrative challenge to this Agreement. In the event any provision of this Agreement is challenged in any City, county, or state court, removal to a federal court shall be sought by the Parties.

186. The PPB and the City agree to promptly notify DOJ if any term of this Agreement becomes subject to collective bargaining. The City agrees to keep DOJ apprised of the status of the resulting negotiations.

187. All PPB officers and persons related to the implementation of this Agreement shall sign a statement indicating that they have read and understand this Agreement within 90 days of the effective date of this Agreement. Such statement shall be retained by PPB. PPB shall require compliance with this Agreement by their respective officers, employees, agencies, assigns, or successors.

RESPECTFULLY SUBMITTED this ____ day of April 2018.

**City of Portland Plan for
Portland Committee on Community-Engaged Policing (PCCEP)**

I. MISSION

To work with the Mayor/Police Commissioner, Portland Police Bureau, and Portland's diverse constituencies to solicit and exchange information between the community and Portland Police Bureau (PPB) to achieve the desired outcomes of equitable policing which exceeds constitutional requirements, and meaningful community engagement with and trust in PPB.

II. GOALS

PCCEP members will independently assess the Settlement Agreement using the tools outlined in this Plan. PCCEP will work to facilitate positive police/community relationships and promote public safety by assessing PPB's current community engagement processes, and developing recommendations and strategies for systems to increase public outreach and engagement with a broad cross-section of the community, to build confidence and improve outcomes. Additionally, PCCEP members will review and make recommendations on PPB policies touching the DOJ Settlement Agreement and/or key areas of concern, including constitutional policing, use of force, interactions with people experiencing mental illnesses, complaint investigations, and racial justice.

In order for PPB to effectively build trust with Portland's diverse communities, the communities' concerns must be heard and meaningful action by PPB must be taken. To facilitate this outcome, PCCEP members will also make recommendations in the key areas of concern for Portland's diverse communities based on the communities' articulated experiences and grievances.

PCCEP's mission and goals will guide the following:

1. Scope of work
2. Membership
3. City's responsibilities
4. Available tools and resources
5. Members' responsibilities
6. Deliverable products

SCOPE OF WORK

PCCEP will engage with Portland's diverse communities in key areas of concern, including constitutional policing, use of force, interactions with people experiencing mental illnesses, complaint investigations, and racial justice. PCCEP will contribute to the development of the PPB Community Engagement Plan, as directed by the Settlement Agreement between the City of Portland and the United States.

188570

Specifically, PCCEP will be authorized to:

- Develop recommendations for PPB systems to engage meaningfully, both short-term and long-term, Portland's diverse communities and improve community relations. Gather and synthesize information from Portland's diverse communities, and make recommendations based on that information in key areas of concern to communicate to the Mayor, PPB, the Office of Equity and Human Rights, the DOJ, and the public at large.
- Review and make recommendations on PPB directives touching the DOJ Settlement Agreement and/or key areas of concern. Provide information to the community on these directives, and solicit feedback and recommendations from the community to share with the PPB.
- With the Mayor's written approval, and after consultation with the other City Commissioners, PCCEP is authorized to identify for off-schedule review directives not related to the DOJ Settlement Agreement or key areas of concern.¹ PCCEP must provide a written explanation for the request, which will be considered by the Mayor and City Commissioners.
- Provide information to and solicit feedback from Portland's diverse communities through focused and targeted round tables and town halls, to be held at least quarterly and be open to the public. PPB presence is required at quarterly town halls.
- Continue to collaborate with the City on surveys regarding Portland residents' experiences with and perception of PPB's community outreach and accountability efforts. PCCEP will consider survey results in developing recommended strategies.
- Provide ongoing feedback to PPB regarding community engagement initiatives already in progress and those added/needed in the future.
- During the effective period of the Settlement Agreement, appear before the Court at the annual status conference to describe to the Court its assessment of the City's progress toward achieving the goals of the Settlement Agreement.

III. MEMBERSHIP and REPORTING

PCCEP will be comprised of a diverse group of between nine and eleven mayoral-appointed volunteers, who are committed to improving systems-based police/community relationships and ensuring and exceeding constitutional policing standards. The PCCEP will report directly to the Mayor (Police Commissioner) and consult, separately and at least quarterly with the

¹ PPB directives are generally scheduled for Bureau review every two years. The City recognizes that the community has an interest in a number of directives, and particularly those that are relevant to current events (e.g., Directive 635.10. Crowd Management, with respect to demonstrations; Directive 810.10, Arrest of Foreign Nationals with respect to Portland's status as a Sanctuary City). This authority is intended to allow PCCEP to be responsive to community concerns when there is a compelling interest to review and revise a Bureau practice.

188570

Director of the Office of Equity and Human Rights.

IV. SELECTION

The Mayor, in consultation with the other Council offices, shall work with the community selection panel described below to develop selection criteria and public outreach strategies for the PCCEP selection process. This process may begin before the Fairness Hearing and approval of the revised Settlement Agreement by the Court. Following the development of the selection criteria, a written, downloadable application will be posted and available on the City's website. Posted alongside the application will be the deadline for submission, selection criteria, selection process and a description of PCCEP member responsibilities. The City will engage the community in a variety of ways to communicate the application and selection process, criteria and timelines. Extra effort will be made to invite people who have experienced mental illnesses to apply.

The selection process will adhere to the following framework: (1) Application submission; (2) Initial screening of applicants by mayoral staff and a representative from any Council office who wishes to participate; (3) Review and further screening by panel consisting of five diverse community members (each chosen by the Mayor and other Commissioners); (4) Candidate interviews with Mayor after soliciting feedback about final candidates from each Council office; (5) Mayoral appointment and (6) Council confirmation.

The Mayor will consider the selection criteria and views of the community in appointing volunteers. City employees may not be appointed to sit on the PCCEP.

V. TERM

Volunteers will serve two year maximum terms. There will be no term limits. During the first year of PCCEP's life, volunteers will be appointed on a staggered basis where the majority of the board will serve two-year terms, and the remainder will serve one-year terms. Applicants will be able to indicate on their application form whether they wish to serve one or two-year terms. Any volunteers who serve one-year terms will have the option of re-applying for the opportunity to serve a full term.

VI. REMOVAL

The Mayor, after consultation with the Council, the PCCEP Program Manager and PCCEP chair (absent a conflict of interest) will have sole discretion to determine when PCCEP members are no longer fit to serve on the committee due to misconduct. If a member is removed or resigns, the selection process identified above will be used to recruit, appoint and confirm the new member.

188570

VII. CITY'S RESPONSIBILITIES²

To establish the PCCEP and facilitate its work, the City will seek the services of an organizational development consultant to structure board orientation for PCCEP members. This orientation shall include training on the *United States v. City of Portland* Settlement Agreement. Specifically, as part of this training, the Albina Ministerial Alliance Coalition for Justice and Police Reform (AMAC) and mental health advocates will be invited to provide information on the history of the Settlement Agreement. After PCCEP's board orientation, the City shall continue to provide resources for member training as needed so that members continue to fulfill their obligations.

The City shall make appropriate information available regarding PPB's current community engagement initiatives, directives, and directive review and implementation process.

The PPB, in particular, and in accordance with its directive review schedule, shall meet with PCCEP during a universal review period to brief members on directives related to the DOJ Settlement Agreement and/or key areas of concern, provide information as needed/requested, and solicit PCCEP member feedback. The PPB shall make the adjustments necessary to its current directive review system in order to integrate PCCEP into the PPB's work.

The City shall provide thorough and timely responses to PCCEP recommendations and requests for information, and shall endeavor to do so within 60 days.

The City shall provide staffing for the PCCEP including a program manager and administrative support. The City will also provide staff support and funding for community organizing/outreach.

The City shall provide meeting locations, and work with PCCEP to identify neutral locations that are accessible to and appropriate for the community for public meetings.

To ensure constitutional policing, to closely interact with the community to resolve neighborhood problems, and to increase community confidence, PPB shall work with City resources knowledgeable about public outreach processes, the PCCEP and the PPB's Equity & Diversity Manager to develop a Community Engagement Plan, which shall be adopted by Council following a public hearing.

The Mayor's Office shall publish on the City website an annual report, commencing from the

² With the amendments to Section IX of the Settlement Agreement and the development of the PCCEP, the City understands there is concern about the role of the Portland community in monitoring the Settlement Agreement, and updating the wider community on the status of terms of the Settlement Agreement. The City will provide updates to the community on the status of the City's compliance with its obligations under the Settlement Agreement in the following ways: 1) at the annual status conference before the federal district court; 2) through quarterly community meetings with the COCL either separate from or jointly with the PCCEP, and staffed by the City; 3) through reports on the COCL website; and 4) through other means as appropriate. The United States Department of Justice and the COCL will continue to have responsibility for monitoring the City's compliance with its obligations under the Settlement Agreement during the effective period of the Agreement. After the City is found to be in compliance with the Settlement Agreement and the Court, DOJ and COCL are no longer involved, PCCEP will provide recommendations to the Mayor/Police Commissioner regarding continued assessments of the City's progress, generally, and community engagement.

188570

date PCCEP begins meeting through the duration of its existence, that will include updates on progress made by the City in key areas of concern and community engagement recommendations.

The Mayor or the Mayor's delegate, and the PPB Chief or the Chief's delegate, shall endeavor to attend all public meetings of PCCEP, unless PCCEP requests otherwise. Other Commissioners or their delegates are encouraged to attend, unless PCCEP requests otherwise. The purpose of such attendance is to listen to understand, provide information either at the meeting or as follow-up, and learn from PCCEP members and public testimony.

VIII. MEMBERS' RESPONSIBILITIES

SCOPE OF WORK

PCCEP will engage with Portland's diverse communities in key areas of concern, including constitutional policing, use of force, interactions with people experiencing mental illnesses, complaint investigations, and racial justice. PCCEP will contribute to the development of the PPB Community Engagement Plan, as directed by the Settlement Agreement between the City of Portland and the United States.

Specifically, PCCEP will be authorized to:

- Develop recommendations for PPB systems to engage meaningfully, both short-term and long-term, Portland's diverse communities and improve community relations. Gather and synthesize information from Portland's diverse communities, and make recommendations based on that information in key areas of concern to communicate to the Mayor, PPB, the Office of Equity and Human Rights, the DOJ, and the public at large.
- Review and make recommendations on PPB directives touching the DOJ Settlement Agreement and/or key areas of concern. Provide information to the community on these directives, and solicit feedback and recommendations from the community to share with the PPB.
- With the Mayor's written approval, and after consultation with the other City Commissioners, PCCEP is authorized to identify for off-schedule review directives not related to the DOJ Settlement Agreement or key areas of concern.¹ PCCEP must provide a written explanation for the request, which will be considered by the Mayor and City Commissioners.
- Provide information to and solicit feedback from Portland's diverse communities through focused and targeted round tables and town halls, to be held at least quarterly and be open to the public. PPB presence is required at quarterly town halls.
- Continue to collaborate with the City on surveys regarding Portland residents' experiences with and perception of PPB's community outreach and accountability efforts. PCCEP will consider survey results in developing recommended strategies.
- Provide ongoing feedback to PPB regarding community engagement initiatives already in progress and those added/needed in the future.
- During the effective period of the Settlement Agreement, appear before the Court at the annual status conference to describe to the Court its assessment of the City's progress toward achieving the goals of the Settlement Agreement.

¹ PPB directives are generally scheduled for Bureau review every two years. The City recognizes that the community has an interest in a number of directives, and particularly those that are relevant to current events (e.g., Directive 635.10, Crowd Management, with respect to demonstrations; Directive 810.10, Arrest of Foreign Nationals with respect to Portland's status as a Sanctuary City). This authority is intended to allow PCCEP to be responsive to community concerns when there is a compelling interest to review and revise a Bureau practice.

III. MEMBERSHIP and REPORTING

PCCEP will be comprised of a diverse group of between ~~nine and eleven~~thirteen mayoral-appointed volunteers, who are committed to improving systems-based police/community relationships and ensuring and exceeding constitutional policing standards. Two of the thirteen seats will be reserved for high school-aged youth. The PCCEP will report directly to the Mayor (Police Commissioner) and consult, separately and at least quarterly with the Director of the Office of Equity and Human Rights.

The Mayor, in consultation with the other Council offices, shall work with the community selection panel described below to develop selection criteria and public outreach strategies for the PCCEP selection process. This process may begin before the Fairness Hearing and approval of the revised Settlement Agreement by the Court. Posted alongside the application will be the deadline for submission, selection criteria, selection process and a description of PCCEP member responsibilities.
